Rt. Rev. Dr. Thomas Mar Theethos Episcopa
(Diocesan Bishop)

The editorial team of St. Thomas English High School Gudalur has produced yet another outstanding school magazine this year. When it comes to education, our school is making progress in every domain. Education should provide not just information but instill values and life-skills as well for the formation of future citizens of the country. The efforts of the school towards this goal are commendable. A school magazine highlights the achievements of the school and allows students to express their creativity. I appreciate the efforts of the teachers and students in creating this magazine. Furthermore, this is a keepsake for the future. I wish you the best of luck with the new edition of the school magazine.

Yours in His Service,

Thomas Mar Theethos

FROM THE CORRESPONDENT

Who is a good friend?

We have heard the proverb: "A friend in need is a friend indeed"

In Bible there is a story, about a man who was traveling on his routine business trip. In a lonely place he had been attacked by thieves and was left there, wounded and bleeding. A few people of his town, including a priest and another spiritual person passed him but they did not stop to help him thinking they will be late if they spend time with him. After some time, another man from a neighbouring town came by and stopped to help him. He bandaged him, took him to a nearby inn and paid for the expenses of the needy man. Many a times we might also have come across situations like these in our life. We need to reflect how many times we have turned out to be helpful.

As students we have to be compassionate to our friends. School is also a place where we learn to care, love, value others and develop an attitude of gratitude and service. We also learn to manage our emotions like anger, frustration etc in a constructive way.

After a gap of two years, we are able to release the school magazine. The last two years we were unable to do it because of Covid -19. Through all the challenges we faced, we became more avid users of the internet. Students should always be careful to use it for your positive benefits while being completely aware of the tremendous negative impact it can bear.

I am happy that I could serve here for the last four years as the correspondent. I would like to thank our patron bishop and president bishop for giving me this opportunity. We as family enjoyed our stay and service here at Gudalur. The love of all the students, co-operation of the parents, teachers, principal, and the team work of the management enabled us to move ahead well and will always be cherished by me. The efforts of the administrative staff and non-teaching faculty also need a definite mention. My Dear Thomasites, our prayers are with you. Do not be carried away by distractions which make you forget your passion, values and goal. Ignite your passion and set your goal right. Wishing you all a bright future. May God be with you and guide you.

Thank you,

Rev. Joggy Oommen Philip
Correspondent

FROM THE PRINCIPAL

“Education is the passport to the future. For tomorrow belongs to those who prepare for it today.

– Malcodm V.

I am honoured and privileged to lead the esteemed school for the last 4 years as Principal.

I believe that education is a collaborative effort – between professionals, teachers, and students. The School is striving hard to make the best possible efforts to inculcate strong values combining with academics and extra – curricular activities in the children. It has been a remarkable year that witnessed the promising talents of our budding Thomasites. This edition of “The Marthomite” is aimed at portraying the fairs of our emerging prodigies. A onetime glance through its pages will definitely convince the readers about the abilities of our students.

I take the opportunity to thank all our parents who have unconditionally trusted us and whole heartedly supported the school. We value your input and look forward for a strong partnership.

And I am thankful to the management for steering the institution all these years. I thank the Almighty for showering His grace upon us. May the omnipotent shower His blessings on the school community, in the years to come.
