

CORRESPONDENT'S MESSAGE

Dearly beloved members of St. Thomas Family,

At the outset, I thank God Almighty for bestowing His innumerable blessings up on us.

As we approach the end of the year, I want to take a moment to reflect on all that we have accomplished together. It has been an incredible year, filled with growth, learning, and celebration.

I am so proud of each and every one of you for your hard work, dedication, and commitment to excellence. Your achievements in academics, sports, and extracurricular activities have been truly impressive.

As we look to the new year, I encourage you to continue striving for excellence, to push beyond your boundaries, and to never give up on your dreams.

My dear students, I urge you to take few resolutions for the new year.

- ☑ Read more books (at least 1 book per month)
- ☑ Learn a new hobby or skill (eg: language, music, instrument, painting, etc)
- ☑ Practice meditation daily.
- ☑ Improve physical health (exercise regularly, eat healthy food)
- ☑ Get enough sleep (7 – 8 hours daily)
- ☑ Decrease your screen time.

May the coming year bring you joy, happiness, and success. May you continue to grow in wisdom, courage, and compassion.

On behalf of the entire school community, I wish you and your families a very happy and blessed New Year.

Sincerely,

Rev. Fr. Jobi Koruthu

PRINCIPAL'S DESK

St. THOMAS ENGLISH HIGH SCHOOL is a symbol of progressive and quality education. The motto of the school "ARISE AND SHINE" embodies the spiritual and moral principles of formation of the students.

It is a great honour and privileged to be the principal of such an esteemed institution for which so much has been envisioned. To create an educational institution which is both modern and progressive while keeping our Indian values intact, is a challenging.

We are confident that this school is the best place for your child. To create a campus where everyone is enriched and happy is an ever greater challenge. With every challenge I also see opportunity, the opportunity to empower children with the life skills and sensitivity they require to meet the world we live in, with confidence. We firmly believe that education is a success when the curriculum, learning and assessments are closely aligned. In order to achieve this success, it is for all stakeholders, including parents, teachers and students to work together towards a common goal. We value your cooperation, help and support in this endeavour.

Wish you all Merry Christmas and a Happy New Year...

Mrs. Nissy Jaison
(Principal)
